CERTIFICATE

of FACTORY PRODUCTION CONTROL

1489-CPD-1/ZKP/05

In compliance with the Directive 89/106/EEC of the council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction product (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction products

Autoclaved aerated concrete masonry units **(Category I)**

intended for use in load bearing and non-load bearing applications in all forms of walling in accordance with the declared characteristics,

and produced by the manufacturer

Przedsiębiorstwo Produkcyjno-Handlowe
„PREFABET Bielsko-Biała” Spółka z o.o.
ul. Żywiecka 118
43-300 Bielsko-Biała

in the factory located at

as above

is submitted by the manufacturer to initial type testing of the products and factory production control and that the approved Certification Body COBRPB „Cebet” has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

PN-EN 771-4:2004

Wymagania dotyczące elementów murowych

Część 4: Elementy murowe z autoklawizowanego betonu komórkowego

were applied.

This certificate was first issued on 17.01.2005 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.
